## **RECRUITMENT FOR THSTI NATIONAL CHAIR**

### **Recruitment Notice No. THS / RN /05/2016**

- a) Translational Health Science and Technology Institute (THSTI) is an autonomous Institute of the Department of Biotechnology, Ministry of Science and Technology, Govt. of India. The institute is an integral part of the interdisciplinary NCR Biotech Science Cluster located at Faridabad, and is designed as a dynamic, interactive organization with the mission to conduct innovative translational research and to develop research collaborations across disciplines and professions to translate concepts into tangible products to improve human health.
- b) THSTI has set up niche centres of research in areas relevant to human health. These are: Vaccine and Infectious Disease Research Centre (VIDRC), Paediatric Biology Centre (PBC), Centre for Bio-design & Diagnostics (CBD), Drug Discovery Research Centre (DDRC), Centre for Human Microbial Ecology (CHME), and, Policy Centre for Biomedical Research (PCBR). Clinical Development Service Agency (CDSA) and the National Bio-design Alliance (NBA) are THSTI's extramural centres. The mandate of these centres is described on [THSTI website](#) and details of the ongoing scientific activities can be found in our recent [annual report](#).
- c) The institute is looking for distinguished scientists as the THSTI National Chair to mentor its Drug Discovery Research Centre (DDRC), and the Centre for Bio-design and Diagnostics (CBD). The aim of the DDRC is to develop robust programs in the area of drug target discovery and drug development through research programs that seamlessly bridge between disciplines such as Chemistry, Biology, Systems Biology, and Pharmacology. The DDRC working model envisages further strengthening of its capabilities through collaborative linkages with both academia and industry. The primary mission of the CBD is to promote an effective translational route of basic findings through a multidisciplinary approach, combining new bio markers, medical technology innovation, product development and clinical expertise. The centre has focus on establishing high quality, affordable technologies and ensuring their development to reach patients. Major areas of research are broadly divided between diagnostics and medical technologies covering implants and devices.
- c) **Eligibility criteria:** Accomplished scientists of the Central/State Govt. / Universities / Public Sector Undertakings / Govt. funded research organisations / institutes, autonomous bodies with a minimum of 25 years research experience in responsible higher position with published research of highest standards and / or technologies of established utility with an MD or PhD degree in Life Sciences / Biomedical Sciences / Biotechnology / Biomedical Engineering / Biotech Pharmacology or a related area from a recognized University.

**Age Limit:** 62 years at the time of award of THSTI National Chair.

**Tenure:** The tenure of award is for 3 years initially.

- e) **Emoluments:** Award money Rs. 1.50 lakhs per month.
- f) **How to apply:** The prospective candidates may send their application in the prescribed format along with a statement on the scientific vision to mentor the research activities of the centre and how the expertise of the candidate could benefit the research activities of the other THSTI centres. The application may be sent to the **Executive Director, Translational Health Science and Technology Institute, NCR-Biotech Science Cluster, 3<sup>rd</sup> Milestone, Faridabad-Gurgaon Expressway, PO Box No. 04, Faridabad-121001** super-scribing on the cover "*Application for THSTI-National Chair*" so as to reach on or before 5<sup>th</sup> February 2016.
