CORRIGENDUM

Admission to the THSTI-JNU PhD program in biomedical and clinical research

Recruitment No. THS/RN/16/2016

Refer to the advertisement published vide THS/RN/16/2016 in Times of India (All editions), Hindu (Chennai) and Telegraph (Kolkata) on 29th April 2016 regarding admission to the THSTI-JNU PhD program in biomedical and clinical research, the following changes have been made under the heading **Selection Procedure** of the above said advertisement. The details in this regard are as under:

Selection procedure: Applicants fulfilling the above essential criteria and those shortlisted based on their marks in the THSTI fellowship eligibility test conducted by THSTI will be interviewed **23rd June onwards**. The final selection will be made based on applicant's performance in the interview and the list of selected candidates will be published on THSTI website by 9 PM on **25th June 2016**. Selected candidates should interact with potential PhD supervisors and provide their choice of supervisors by 4 PM on **28th June 2016**. Final allotment of supervisors shall be made based on choices exercised by both the students and the supervisors.
