

# **CURRICULUM VITAE**

**Name** : **Dr. Harshpal Singh Sachdev**

**Date of Birth** : 13 August 1955.

**Address for Communication** : E - 6/12, Vasant Vihar, New Delhi 110 057.  
**Telephone:** 0091-11-26141730; 26140292.  
**e-mail:** hpssachdev@gmail.com  
hpssachdev@hotmail.com

## **Academic Qualifications**

M.B.B.S.	All India Institute of Medical Science, New Delhi	1978
M.D. (Pediatrics)	All India Institute of Medical Sciences, New Delhi	1981

## **Affiliations**

Senior Consultant, Pediatrics and Clinical Epidemiology	Sitaram Bhartia Institute of Science and Research, New Delhi	14.2.06 till date
Adjunct Professor	Division of Population Health, St. John's Research Institute, St. John's National Academy of Health Sciences, Bangalore	1.4.07 till date
Visiting Fellow	Academic Unit of Human Development and Health, Faculty of Medicine, University of Southampton, UK	1.1.16 till 1.1.19
Honorary Senior Research Associate	Institute of Child Health – Centre for International Health & Development, University College London, UK	1.10.13 till 1.02.17
Visiting Professor	MRC Lifecourse Epidemiology Unit, University of Southampton, UK	2.9.02 till 31.12.15
Professor of Pediatrics	Maulana Azad Medical College, New Delhi	20.2.94 to 13.2.06
Associate Professor of Pediatrics	Maulana Azad Medical College, New Delhi	8.3.89 to 20.2.94
Assistant Professor of Pediatrics	Maulana Azad Medical College, New Delhi	20.2.86 to 8.3.89
Pediatrician	Central Health Service, Delhi Administration	30.7.85 to 19.2.86

Senior Research Officer (Pediatrics) ICMR Project, Safdarjang Hospital, New Delhi	11.1.85 to 29.7.85
Senior Resident (Pediatrics) Safdarjung Hospital, New Delhi	11.1.82 to 10.1.85

### **Awards and /or Honors**

1. Honorary Fellow of the Royal College of Paediatrics and Child Health, London, 2010.
2. Fellow of the National Academy of Medical Sciences, 2001.
3. Fellow of the Indian Academy of Pediatrics, 1992
4. Fellow of the International Medical Sciences Academy, 1994.
5. Dr. H.B. Dingley Memorial Award of the Indian Council of Medical Research for the significant research contributions in field of 'Pediatrics', 1989.
6. Dr. James Flett Endowment Award of the Indian Academy of Pediatrics for Research in Community Pediatrics, 1994.
7. Dr. James Flett Endowment Award of the Indian Academy of Pediatrics for Research in Community Pediatrics, 1991.
8. S.T. Achar Gold Medal for Research in General Pediatrics, Indian Academy of Pediatrics, 1985.
9. S.S. Manchanda Gold Medal for Research in Neonatology, Indian Academy of Pediatrics, 1983.
10. Suraj Kali Jain Award of the Indian Society for Medical Statistics, 1995.
11. Scientific Research Award, First North Zone Conference, Indian Academy of Pediatrics, 1983.
12. M.L. Wig Gold Medal for Clinical Research, All India Institute of Medical Sciences, 1980-81.
13. Soral Catherine Fraymann Award for Pediatrics, All India Institute of Medical Sciences, 1977.
14. Harish Chandra Oration of the Twin Cities Branch of Indian Academy of Pediatrics, 1999.
15. Y.R. Reddy Oration of the Andhra Pradesh Branch of Indian Academy of Pediatrics, 2001.
16. 17th Dr. K.C. Chaudhuri Memorial Oration, Institute of Child Health, Kolkatta, 2002.
17. Fiona Hunter Memorial Lecture at Institute of Child Health, London on June 25, 2003.
18. Harbhagwan Kumar Memorial Oration of IAP Subspecialty Chapter on Nutrition, Chennai, 2004.
19. Exemplary Contribution Award, Indian Medical Association, South Delhi Branch, 2008.
20. Hon. Surg. Cmd. Shantilal C. Sheth Oration of the Indian Academy of Pediatrics for life time achievement, 2009.
21. Dr. S.G. Srikantia Memorial Lecture Award of the Nutrition Society of India for significant contributions for the advancement of nutrition sciences, 2009.
22. Research Excellence Award for Developing Country Scientists, 7th World Congress on Developmental Origins of Health and Disease, September 18-21, 2011.
23. 41<sup>st</sup> Kamla Puri Sabharwal Memorial Lecture, Lady Irwin College, December 11, 2014.

### **Other Honorary Positions**

1. National President of the Indian Academy of Pediatrics (2003), the sole national organisation of 18,000 pediatricians.
2. Regional Advisory Board Member, Asian Pacific Pediatric Association, 2003 – 2006.
3. Advisory Committee Member, Food and Nutrition Board, Ministry of Women and Child Development, Government of India, March 17, 2008 to March 16, 2011.
4. Honorary Member, International Nutritional Anemia Consultative Group Steering Committee, 2003-2005.
5. Establishing and Headed the Division of Clinical Epidemiology, Department of Pediatrics, Maulana Azad Medical College 1990 till 2006.
6. Faculty Member, Medical Education Department, Maulana Azad Medical College (one of the five recognized National Medical Teachers Training Centres) from 1991 till 2006.
7. Consultant, Integrated Development Services Scheme of the Government of India since 1990 till 2002.

8. Editorial Committee of 'Indian Pediatrics' - the Official Journal of the Indian Academy of Pediatrics. Indian Pediatrics is indexed by several leading international indexing services including Index Medicus and recently received an Award for the Best Medical Journal in the country.
  - a. Member - 1985
  - b. Assistant Editor - 1986
  - c. Publication Secretary - 1987 to 1994
  - d. Editor-in-Chief - 1994 to 2001.
9. Editor, Cochrane Developmental, Psychosocial and Learning Problems Group, 2008 till date.
10. Associate Editor of International Journal of Epidemiology, 2008 till date.
11. Associate Editor of Archives of Disease in Childhood (Indian Edition), 2001 till date.
12. Referee for International Journals – Lancet, BMJ, Pediatrics, Journal of Pediatric Gastroenterology and Nutrition, International Journal of Epidemiology, Acta Paediatrica, Journal of Diarrheal Diseases Research, Journal of Population Health and Nutrition, Public Health Nutrition, European Journal of Clinical Nutrition, Maternal and Child Nutrition.
13. Referee for National Journals - Indian Pediatrics, Indian J Pediatrics, Indian Journal of Cardiology, Indian Journal of Chest Diseases and Allied Sciences.
14. Member, Editorial Board of Clinical Evidence: A Compendium of the Best Available Evidence for Effective Health Care. A biannual publication of the BMJ Publishing Group, since 1999 to 2003.
15. National Editorial Advisory Board of IAP Journal of Practical Pediatrics since 1995 -2003.
14. Joint Secretary, Organizing Committee of the VIII Asian Congress of Pediatrics, New Delhi, 1994 (*Set a global precedent for an international conference by not accepting hospitality from manufacturers of infant milk formulas, feeding bottles and weaning foods which received wide national and international acclaim*).
15. Convener National Update on Nutrition in Children, 1994.
16. Convener Preconference CME on Nutrition Update for Family Physician: XIX Congress of Confederation of Medical Associations in Asia and Oceania and XIII National Conference on General Practice, 1995.
17. Member Organizing Committee of the World Vegetarian Congress, 2-3 January 1993. Organized by the Department of Human Nutrition, All India Institute of Medical Sciences, and New Delhi.
18. Granted Membership of the American Association of Advancement of Science, 2002.
19. Member Society for Action in Community Health (SACH)-A 'Non - Governmental Organization' devoted to the delivery of Primary Health Care to the 'Urban Poor'.
20. Advisory Board Member, Maternal and Child Nutrition, international journal published from UK, 2004 to 2009.
21. Editorial Board Member, European Journal of Clinical Nutrition, June 2007 till date.
22. Editorial Board Member, BMC-series Journals, 2007 till date.
23. Advisory Board Member, Cochrane Nutrition, 2017 -2019.
24. Editorial Board Member, Asia Pacific Journal of Clinical Nutrition, 2017 till date.

### **Expert Groups / Task Forces**

1. Temporary Adviser to the World Health Organization, Epidemiology and Statistical Methodology Unit for Informal WHO/UNICEF Consultation on Measurement of Overall and Cause Specific Child Mortality, December 1992.
2. Short Term UNICEF Consultant, Nutrition Division for Drafting a Policy on Infant Feeding, December 1992 - January 1993.
3. Member, UNICEF Expert Group on Women and Nutrition, 1994.
4. Member-cum-expert for the World Bank Funded Project Proposal IPP VIII (Delhi) for providing Primary Health Care for JJ Clusters of Delhi, 1992.
5. Member, Indian Council of Medical Research Task Force on Newborn Care and Child Health, 1993.
6. Member, ICMR Expert Group for In Depth Analysis of Multicentric Projects, 1992.
7. Member, ICMR Expert Group on Child Survival Research Needs, 1992.
8. Expert/Reviewer for the Research Proposals submitted to the Indian Council of Medical Research.
9. Member, Task Force of the Nutrition Foundation of India for Vitamin A, 1992.

10. Member, Task Force of the Nutrition Foundation of India for Effect of Supplementary Nutrition During the Last Trimester of Pregnancy on the Birth Weight and the Subsequent Growth of the Infant, 1993.
11. Member, Sub Committee of the Medical Council of India for revision of Undergraduate Medical Curriculum for Pediatrics, October 1992.
12. Member, Scientific Working Group for Ministry of Health (Government of India) and World Health Organization for Developing Common Methodology for Urban Health Surveys, 1993.
13. Member, National Consultation on City Health Plan Development (Ministry of Health, Government of India and World Health Organization), June 1993.
14. Member, Expert Group of the Maternal and Child Health Division, Ministry of Health and Family Welfare for developing Guidelines on Infant Feeding in relation to the Child Survival and Safe Motherhood Programme, 1993.
15. Convener, Indian Academy of Pediatrics Subspecialty Chapter on Nutrition's Expert Group to draft Policy on Infant Feeding, 1994 (Policy endorsed as IAP Policy on Infant Feeding).
16. Member, Indian Academy of Pediatrics Committee on Immunization Practices, 1994.
17. Member, Core Group of United Nations Children's Fund on Iron Deficiency Anemia, 1995.
18. Member, Task Force of the Nutrition Foundation of India for Relationship of Current Nutritional Status and Cognitive Functioning in Children of Urban Slums in Delhi, 1995.
19. Member, Indian Academy of Pediatrics Press Syndicate Board, 1995.
20. Member, IAP Committee on Breastfeeding and Lactation Management Education, 1995.
21. Member, Scientific Advisory Group, Division of Reproductive Health and Nutrition, Indian Council of Medical Research, 1995, 1996.
22. Member, Expert Group of the Ministry of Health and Family Welfare for the World Bank assisted Reproductive and Child Health Project, 1995.
23. Member, Project Advisory Committee, Multicentre Study on "District Nutrition Project for Prevention and Control of Micronutrient Deficiency Disorders", Indian Council of Medical Research, 1996.
24. Member, Sub-committee of the Directorate General of Health Services (EPI Division), Government of India for feasibility of introduction of Hepatitis B vaccine under the National Immunization Programme, 1996.
25. Member, Project Advisory Committee, Multicentre Study on "Mobile Unit Approach for Delivery of Reproductive Health Care", Indian Council of Medical Research, 1996.
26. Member, State Task Force on Baby Friendly Hospital Initiative, 1996.
27. Member, Scientific Review Committee, Division of Reproductive Health and Nutrition, Indian Council of Medical Research, 1996.
28. Member, Task Force, Nutrition Foundation of India, Project on Micronutrients.
29. Member, Working Group for Operational Research on Reproductive Health Needs Assessment of the National Committee for Research in Human Reproduction (NCRHR) of the Ministry of Health and Family Welfare, Government of India, 1996.
30. Member, Expert Group of the National Informatics Centre for creating National Electronic Database of Indian Medical Journals.
31. Member Board of Studies, Barkatullah University, Bhopal.
32. Expert Selection Committee for Faculty of the Post Graduate Institute of Medical Education and Research, Chandigarh.
33. Member, Project Advisory Committee of Indian Council of Medical Research on "Problems of Reproductive Health in the Population Affected by Bhopal Gas Leak", 1997.
34. Member, Core Group of National Human Rights Commission on Control of Iron Deficiency Anemia and Iodine Deficiency, 1997 - 1999.
35. Member Task Force, District Nutrition Project, Indian Council of Medical Research, 1998-2000.
36. Temporary Advisor World Health Organization, Geneva for Informal Consultation on the Integrated Management of Childhood Illnesses, December 13-14, 1999.
37. Member Task Force of Indian Council of Medical Research on WHO/Government of India Collaborative Project on Development of Capacity Building for Health Care Among Tribes, 1999.
38. Member Advisory Committee for ICMR-NIH Collaborative Workshop, Indian Council of Medical Research, 1999.

39. Member, Expert Committee of Indian Council of Medical Research on Double (Iodine and Iron) Fortified Salt, 1999 - 2000.
40. Member, Expert Committee of Indian Council of Medical Research to Identify Research Priorities in the Areas of Micronutrient Research and Child and Adolescent Nutrition, 2000.
41. Member Expert Committee of Indian Council of Medical Research on Health Benefits of Spirulina, 2000.
42. Member Task Force of Indian Council of Medical Research on Causes of Death, 2000 - 2001.
43. Member of the Project Review Group of the ICMR for Clinical and Research Programmes related to Reproductive Health and Nutrition, 2000-2001.
44. Member MCI Committee to draft a syllabus for Post Graduate Diploma in Nutrition, 2000.
45. Medical Council of India Postgraduate Inspector, 2000.
46. Temporary Advisor World Health Organization, Geneva for Workshop to Develop a Protocol for A Study on the Treatment of Children Presenting with Wheeze, December 6-8, 2000.
47. Member, Planning Commission (Health, Family Welfare and Nutrition Division) Working Group on Improving Nutritional Status of Population With Special Focus on Vulnerable Groups, 2001.
48. Member, Planning Commission (Health, Family Welfare and Nutrition Division) Working Group on Improving Micronutrient Nutritional Status of Population, 2001.
49. Participant National Human Rights Commission Consultation on "Access to Health Care, Nutritional Deficiencies and Tobacco Control", April 2001.
50. Temporary Advisor World Health Organization, Department of Child and Adolescent Health, Geneva for Workshop to Review Results of Studies Evaluating Zinc Supplementation on Clinical Outcome of Acute Diarrhea, New Delhi, 7-8 May 2001.
51. Member, National Selection Committee of the Department of Women and Child Development for the National Child Welfare Award for the year 2001.
52. Member, Core Group of the Ministry of Health and Family Welfare on Integrated Management of Childhood Illnesses, 2001-2002.
53. Member, Indian Council of Medical Research Multicentric Task Force on Operational Evaluation of Stability of Iodine in Double Fortified Salt, 2001.
54. Member, Indian Council of Medical Committee on Evaluation of Causes of Death by Verbal Autopsy, 2001-2002.
55. Member, Indian Council of Medical Research Expert Group on Fellowship, 2001-2003.
56. Member, Indian Council of Medical Research Project Review Committee, 2001-2003.
57. Member, Ministry of Health and Family Welfare, National Advisory Group on Immunization, 2002-2003.
58. Member, Steering Committee of National Nutrition Monitoring Bureau of the National Institute of Nutrition, 2002-2006.
59. Member, Core Group on Infant Feeding of the Department of Women and Child Development, Ministry of Human Resource Development, 2002.
60. Member, Panel of Experts to Review Research Proposals of Department of Family Welfare, Ministry of Health and Family Welfare, 2002-2004.
61. Member, Research Advisory Committee of Agharkar Research Institute, Pune, 2002-2003.
62. Member, Research Proposal Evaluation of Indo-US Collaboration on Maternal and Child Health and Human Development Research, 2002.
63. Member, Ministry of Health and Family Welfare Expert Group for Adaptation of Integrated Management of Newborn and Childhood Illnesses Course in India, 2002-2003.
64. Member, Indian Council of Medical Research Task Force Group on Causes of Death by Verbal Autopsy, 2002 -2003.
65. Member, Ministry of Health and Family Welfare Expert Group on Spirulina, 2003.
66. Member, National Selection Committee for National Award for Child Welfare, Ministry of Human Resource Development, 2002-2003.
67. Member, Scientific Advisory Committee of ICMR-NIC Centre for Biomedical Information, 2003-2004.
68. Member, Research Advisory Committee of Agharkar Research Institute (Funded by Department of Science and Technology), 2002-2004.

69. Member, Expert Group for Improvement of Indian Journal of Medical Research of Indian Council of Medical Research, 2003.
70. Member, Indian Council of Medical Research Task Force under “Diabetes Control Programme”, 2003.
71. Temporary Adviser to the World Health Organization, Geneva for Low Birth Weight: A Technical Consultation Towards the Development of a Strategy for Promoting Optimal Fetal Development, 25-27 November 2003, Geneva
72. Member, Expert Group, Reproductive Health and Nutrition, Indian Council of Medical Research to review Fellowships, 2002-2004.
73. Member, Task Force on Fetal Origin of Coronary Artery Disease, Indian Council of Medical Research, 2003 – 2004.
74. Member, Advisory Committee, Task Force on Infant Feeding and HIV, Breast Feeding Promotion Network of India, 2004.
75. Member, Steering Committee, National Nutrition Monitoring Bureau, National Institution of Nutrition, Indian Council of Medical Research, 2003-2004.
76. Regional Advisory Board Member, Asian Pacific Pediatric Association, 2003 – 2006.
77. Honorary Member, International Nutritional Anemia Consultative Group Steering Committee, 2003-2004.
78. Advisory Board Member, Maternal and Child Nutrition, international journal published from UK, 2004 till date.
79. Member, Advisory Committee, 2<sup>nd</sup> Asian Congress of Pediatric Nutrition, December 1-4, 2004, Jakarta, Indonesia.
80. Member, Indian Council of Medical Research Task Force Group on “Causes of Death by Verbal Autopsy”, 2004.
81. Member, Organizing Committee, 8<sup>th</sup> Asian and Oceanian Congress of Child Neurology, New Delhi, October 7-10, 2004.
82. Member, Task Force on “Biotechnological Approaches for Food and Nutritional Security”, Department of Biotechnology, Ministry of Science and Technology, Government of India.
83. Member, Departmental Assessment Committee, Department of Biotechnology, Ministry of Science and Technology, Government of India.
84. Expert, World Health Organization, Geneva for attributing “Environmental Fraction of Perinatal Conditions”, November 2004.
85. Member, Scientific Advisory Committee of National Institute of Nutrition, Food and Drug Toxicology Research Centre, 2005 – 2007.
86. Member, Indian Council of Medical Research, Division of Non Communicable Diseases, Task Force on Normative Blood Pressure in Children and Adolescents, 2005.
87. Chairperson, Task Force on Ultra Rice Introduction, Department of Biotechnology, Ministry of Science and Technology, Government of India, May 2005.
88. Member, Ministry of Health and Family Welfare Expert Committee on Vitamin A and Iron/ Folic Acid Supplementation on Reproductive and Child Health, May 2005.
89. Reviewer for background document for the WHO Expert Consultation on Childhood Obesity, Kobe, Japan, 20-24 June 2005.
90. Co-Chairperson, Department of Biotechnology Task Force on “Biotechnological Approaches for Food and Nutritional Security”, 2005-2006.
91. Chairperson, Department of Biotechnology Committee on “Technology Diffusion of Zinc Dispersible Tablets”, 2005.
92. Chairperson, Department of Biotechnology Task Force on “Biological Effect of Zinc Deficiency and Therapeutic Potential”, 2005.
93. Temporary Adviser, World Health Organization, Geneva for the WHO/UNICEF/IUNS Malnutrition Task Force Technical Review Committee Meeting on Management of Severe Acute Malnutrition, Geneva, Switzerland, June 28-29, 2007.
94. Temporary Adviser, World Health Organization, Geneva for the Expert Consultation on Essential Medicines for Children, Geneva, Switzerland, July 9-13, 2007.
95. Temporary Adviser, World Health Organization, Geneva for the Neonatal Sepsis Consultation, London, UK, 26-28 September 2007.

96. Consultant, International Atomic Energy Agency for “Food fortification and biofortification to improve micronutrient status in early life” at IAEA Headquarters, Vienna, Austria, February 18-20, 2008.
97. Advisory Committee Member, Food and Nutrition Board, Ministry of Women and Child Development, Government of India, March 17, 2008 to March 16, 2011.
98. Temporary Adviser, World Health Organization, Geneva for the Second Expert Consultation on Essential Medicines for Children, Geneva, Switzerland, September 29 to October 3, 2008.
99. Invited Participant, World Health Organization Conference on Public Health Informatics in Asia-Pacific, Manesar, Gurgaon, November 3-4, 2008.
100. Independent Expert acting as Evaluator for Research Proposal under call for Functional Foods (FP7-KBBE-2009-3) for the European Commission RTD.E Biotechnologies, Agriculture, Food in Brussels, Belgium, March 16 to 20, 2009.
101. Temporary Adviser, World Health Organization, Geneva for the Satellite Meeting on the “Use of Quality Standards in Trials in Developing Countries”, Amsterdam, October 26 to 28, 2009.
102. Chairperson DSMB for Ekjut Trial by Institute of Child Health, London and Jharkhand, 2009-2010.
103. Temporary Adviser, World Health Organization, Geneva for Meeting to Develop a paper summarizing the evidence of impact of IMCI on infant and child mortality, Geneva, July 26-30, 2010.
104. Advisory Board Member of Tackling the Agriculture and Nutrition Disconnect in India (TANDI) core Group of International Food Policy Research Institute 2010 – 2011.
105. Member, Niche Area Committee on “Food and Nutritional Security” of Department of Biotechnology, 2011.
106. Participant, World Health Organization, Geneva for Technical Consultation on Nutrition-related systematic reviews, Geneva, October 18, 2011.
107. Co-Chairperson and Member, ICMR Project Review Group on Nutrition 2009 till date.
108. Chairperson, ICMR Task Force on “Assessment of effect of consumption of carbonated water on health” 2010- 2012.
109. Chairperson, Analytic Team, ICMR Task Force on Home Based Care of Young Infants, 2010 - 2012.
110. Chairperson, Project Review Group on Child Health of Indian Council of Medical Research, 2010-2012.
111. Member DSMB, WHO (Geneva) and Save the Children International Multi-centric Neonatal Sepsis Trial, 2010-2012.
112. Chairperson DSMB for Community Participation Trial by Institute of Child Health, London and MIRA, Nepal, 2011.
113. Member, Ministry of Health and Family Welfare Expert Group on Child Health and Nutrition, 2010 till date.
114. Member, Food Safety and Standards Authority of India, Scientific Panel on Food Additives, Flavorings, Processing Aids and Materials in Contact with Food, 2010 till date.
115. Chairperson, Technical Advisory Group of DBT for Research on Severe Acute Malnutrition, 2011 - 2015.
116. External Resource Person, Third Nutrition Guidance Expert Advisory Group (NUGAG) meeting of the Subgroup of Nutrition in the Life Course and Undernutrition – Area Acute Malnutrition, World Health Organization, Geneva, February 1-3, 2012.
117. Participant, Wellcome Trust Workshop on the Impact of Global Environment Change on Food/Nutrition, Water, and Human Health, London, March 21-23, 2012
118. Member, Department of Biotechnology Task Force on Biotechnological Approaches for Food and Nutritional Security, 1.04.2012 to 31.03.2015.
119. Member of the Technical Advisory Group for the Population Foundation of India’s “Health of Urban Poor (HUP) Program”, 2012.
120. Member, Expert Group on Nutrition in Children, Division of Child Health, Ministry of Health and Family Welfare, Government of India, 2012.
121. Member, World Health Organization Guideline Development Group for Nutrition Actions, Geneva, 2013-2015.
122. Member, World Health Organization Guideline Development Group – Nutrition Actions at Geneva from February 18-21, 2013

123. Member, WHO Expert Group on Setting child health research priorities: Childhood obesity and other risk factors for adolescent and adult health and mortality at WHO/HQ, Geneva, Switzerland, 18-19 March, 2013.
124. Co-Chairperson, Department of Biotechnology Task Force on Public Health including Food and Nutritional Interventions, August 2013 to July 2016.
125. Chairperson, Department of Biotechnology Task Force on Nutrition Biology, August 2013 to July 2016.
126. Member, WHO Guideline Development Meeting on “Optimal blood folate concentrations in women of reproductive age for prevention of neural tube defects”, 23-25 September 2013, Geneva, Switzerland.
127. Member, Technical Resource Group on Deficiencies of the Rashtriya Bal Swasthya Karyakram, Ministry of Health and Family Welfare, Government of India, 2013-2104.
128. Participant, International Atomic Energy Agency Technical Meeting on Applying Vitamin A Isotope Dilution Techniques to Benefit Human Nutrition, 7-9 October 2013, Bangalore, India.
129. Member, Task Force of Department of Biotechnology, Government of India on Human Development and Disease Biology, 2014-2016.
130. Member, WHO Guideline Development Group Meeting – Nutrition Actions at WHO/HQ, Geneva, Switzerland, 23 -26 June, 2014.
131. Member, Organizing Committee and Resource Person the 22<sup>nd</sup> International Cochrane Colloquium at Hyderabad from September 20 – 24, 2014.
132. Member, World Health Organization and Canadian Institute of Health Research, Proposed Research Collaboration to develop and test interventions to prevent obesity in children and adolescents and risk factors for cardiovascular diseases and diabetes, Geneva, 23-24 October 2014.
133. Member, WHO Guideline Development Group Meeting – Nutrition Actions at WHO, Cancun, Mexico, 3 -6 November, 2014.
134. Member, WHO Severe Acute Malnutrition Study Data Analysis Workshop at WHO/HQ, Geneva, Switzerland, 6-9 January, 2015.
135. Member, WHO Guideline Development Group Meeting – Preventing obesity in children and adolescents through appropriate infant and child feeding practices at WHO/HQ, Geneva, 17-19 March, 2015.
136. Member, WHO Departments of Reproductive Health Research (RHR), Nutrition for Health and Development (NHD), and Maternal, Newborn, Child and Adolescent Health (MCA) Guideline Development Group Meeting on WHO Recommendations on Antenatal Care focusing on Nutrition in Pregnancy, and Technical Meeting on Implementation Considerations (Nutrition) from October 27-29, 2015.
137. Member, WHO Department of Nutrition for Health and Development Nutrition Guideline Development Sub Group Meeting on Diet and Health March 15-18, 2016.
138. Member, WHO Guideline Development Group on the Control of Soil Transmitted Helminth Infections in High Risk Groups: Preventive Chemotherapy in Children, Adolescents and Women for Health and Nutrition, 13-15 April, 2016 at WHO HQ, Geneva.
139. Member, Tenth Meeting of the WHO Nutrition Guidance Expert Advisory Group (NUGAG) Sub Group Meeting on Diet and Health, Lisbon, Portugal, November 15-18, 2016.
140. Member, Food Safety and Standards Authority of India, Scientific Panel on Functional Foods, Nutraceuticals, Dietetic Products and other Similar Products from 1<sup>st</sup> January 2017 to 31<sup>st</sup> December 2019.
141. Member, Food Safety and Standards Authority of India, Scientific Panel on Fortified and Enriched Foods from 1<sup>st</sup> January 2017 to 31<sup>st</sup> December 2019.

### **Other Special Assignments of Professional Bodies**

1. **Secretary, Nutrition Society of India - 1999-2003.**

2. **Secretary, Nutrition Chapter of the Indian Academy of Pediatrics - 1993-1995.**
3. Executive Member, Indian Academy of Pediatrics - 1991, 1993- 2001.
4. Executive Member, Nutrition Society of India - 1993-1996.
5. Executive Member, National Pediatric Gastroenterology Forum - 1988 to 1994.
6. Executive Member, Delhi Branch, Indian Academy of Pediatrics - 1986, 1990.
7. Honorary Associate Member of Central Technical Committee - Integrated Mother and Child Development, from 1995.

### **Examiner**

Postgraduate and Undergraduate Examiner of several Universities including All India Institute of Medical Sciences, Post Graduate Institute of Medical Education and Research, Indore, Jabalpur, Rohtak, Ludhiana, Ahmedabad, Bhopal, Lucknow.

PhD examiner – All India Institute of Medical Sciences.

### **International &/or Government Funded Projects**

1. Early Childhood Mortality and Perinatal Period Management in Urban Poor, 1991. Funded by the Ministry of Health and Family Welfare under USAID Child Survival Programmes.
2. Secular Trends and Determinants of Under Five Mortality Components in India: Implications for Child Survival Strategies, 1991. Funded by the Ministry of Health and Family Welfare under USAID Child Survival Programmes.
3. Baseline Studies; Beneficiary, Communication and Training Needs Assessment; and Facility Survey for the World Bank Funded Project Proposal IPP VIII (Delhi) for providing Primary Health Care for JJ Clusters of Delhi, 1992. Funded by the World Health Organization.
4. Study of Urban Health System with special reference to Urban Health Centre (Delhi), 1994. Global Multicentric Study by the World Health Organization.
5. Study of Breast Feeding and Weaning Practices with Special Reference to Use of Commercial Weaning Foods and Nutritional Status of Children amongst Scheduled Caste Communities in Haryana, 1992. Funded by the Indian Council of Medical Research.
6. Assessment of Growth Monitoring Activities and its Impact on Nutritional Status of Children in ICDS and non ICDS Blocks of Rajasthan, 1992. Funded by the Department of Women and Child Development, Government of India.
7. Global Multicentric International Study on Asthma and Allergy in Childhood, 1994.
8. Multicentric Study on Evaluation of Verbal Autopsy Technique to Identify Cause of Death in Children. Funded by Indian Council of Medical Research, 1995.
9. Study of Current Status of Mental Development of Children in Urban Slums of Delhi. Funded by Indian Council of Medical Research, 1995.
10. Multicentric Study on District Nutrition Project for Prevention and Control of Micronutrient Deficiency Disorders. Funded by Indian Council of Medical Research, 1996-1999.
11. Maternal Nutrition, Fetal Growth and Coronary Risk Factors in Young Indian Adults in collaboration with the Environmental Epidemiology Unit, Southampton; Department of Cardiology All India Institute of Medical Sciences and Department of Pediatrics, Sunderlal Jain Hospital, New Delhi, 1997-2005.
12. Benefits of Iron Supplementation in Children: A Meta-analysis of Randomized Controlled Efficacy Trials. Funded by the Indian Academy of Pediatrics Subspecialty Chapter on Nutrition through The United States Agency for International Development through its co-operative agreement (No. HRN-A-00-98-00027-00) with the Human Nutrition Institute of the International Life Sciences Institute (ILSI) Research Foundation, 2002-2004.
13. Phenotypic characterization of diabetes in a young Delhi cohort: association with low birth weight. Funded by Indian Council of Medical Research, 2005-2006.

14. Effect of Combining Multiple Micronutrients with Iron Supplementation on Hemoglobin Response in Children and Pregnant Women: A Systematic Review of Randomized Controlled Efficacy Trials. Funded by the Indian Academy of Pediatrics Subspecialty Chapter on Nutrition through The United States Agency for International Development through its co-operative agreement (No. HRN-A-00-98-00027-00) with the Human Nutrition Institute of the International Life Sciences Institute (ILSI) Research Foundation, 2005-2006.
15. Relationship of growth in infancy and childhood to adult endothelial function and body composition: the New Delhi birth cohort in collaboration with the Epidemiology Resource Centre, Southampton; Department of Cardiology All India Institute of Medical Sciences and Department of Pediatrics, Sunderlal Jain Hospital, New Delhi, 2005 - 2008.
16. Global review of nutrition interventions and programs affecting maternal and child health. Centre for Health and Population Research, Bangladesh. DGF File: 306306. April 2006 to December 2006.
17. Relation of candidate gene variants regulating triglyceride metabolism to serial changes in childhood body mass index and coronary artery disease risk factors in young adulthood. Funded by Indian Council of Medical Research, 2006-2010.
18. Effect of iron fortified foods on hematological response and zinc status: A systematic review of randomized controlled trials. Funded by the International Food Policy Research Institute, 2006 – 2007.
19. Effect of daily vitamin D supplementation of LBW term infants for the first six months of life on their vitamin D status, prevalence and severity of inflammation and change in their type1/ type 2 cytokine balance. Funded by Department of Biotechnology BT/PR-7489/PID/20/285/2006, November 2006 to October 2010.
20. Effectiveness of shortened course ( $\leq 3$  days) of antibiotics for treatment of acute otitis media in children: A systematic review of randomized controlled efficacy trials. Funded by the Department of Child and Adolescent Health and Development, World Health Organization, Geneva, Switzerland, 2007.
21. Benefits and Safety of Vitamin A Supplementation in the First Half of Infancy: A Systematic Review of Randomized Controlled Trials. Funded by the Department of Child and Adolescent Health and Development and Nutrition for Health and Development, World Health Organization, Geneva, Switzerland, 2007-2008.
22. The COHORTS – Consortium of Health Outcomes Research in Transitional Societies – Brazil, Guatemala, India, Philippines, South Africa. Funded by Wellcome Trust, UK 082554, July 2007 to June 2009.
23. Zinc supplements for preventing otitis media (Cochrane Review). Funded by DFID through Liverpool School of Tropical Medicine, September 2007 to September 2009.
24. Home based maternal or newborn care delivered by community or outreach level health workers for preventing mortality in neonates and infant. Funded by the Department of Child and Adolescent Health and Development, World Health Organization, Geneva, Switzerland, 2008.
25. Zinc supplementation for mental and motor development in children : A systematic review of randomized controlled trials (Cochrane review). Funded by DFID through Liverpool School of Tropical Medicine, May 2008 to September 2012.
26. Efficacy of daily iron folic acid supplementation in correction of iron deficiency anemia among 3-5 year old children. Funded by Indian Council of Medical Research, Government of India No. 5/7/117/04-RHN, April 2009 to September 2010.
27. Consortium of Health-Oriented Research in Transitional Societies - Pelotas, Guatemala, New Delhi, Cebu, Soweto-Johannesburg - Phase 3. Funded by Wellcome Trust, UK 089257, June 2009 to May 2013.
28. Evaluation of cardiovascular risk factors and outcomes in a cohort of adult subjects undergoing preventive health check-up. Funded by Indian Council of Medical Research, Government of India No. 5/4/1-16/08-NCD-II, October 2009 to September 2012.
29. Resolution of Bitot spots after administration of mega dose of vitamin A in a cohort of children 1-5 years of age with Bitot spots. Funded by Indian Council of Medical Research, Government of India No. 5/9/9/2003-RHN, March 2010 to September 2011.
30. Neonatal zinc supplementation for the prevention of mortality and morbidity in breastfed low birth weight infants; Systematic review of randomized controlled trials. Funded by World Health Organization, Geneva, March 2010 to April 2011.

31. Efficacy and safety of assisted ventilation with "mouth to tube and mask" compared with a "self-inflating bag and mask" during neonatal resuscitation. Funded by World Health Organization, Geneva, December 2010 to March 2011.
32. Systematic review of randomized controlled trials evaluating zinc supplementation for the treatment of pneumonia in children below five years of age. Funded by World Health Organization, Geneva, December 2011 to May 2012.
33. To evaluate the impact of three feeding regimens on the recovery of children from uncomplicated severe acute malnutrition in India and to use the evidence to inform national policy. Funded by Bill and Mellinda Gates Foundation, USA, January 2012 to December 2014.
34. Integrated Management of Childhood Illness (IMCI) Strategy for children under five: effects on death, service utilisation and illness. Systematic review. Funded by Liverpool School of Tropical Medicine, 2012 to 2013.
35. Effects of vitamin D supplementation in infancy on bone and lean mass growth and function in childhood. Funded by Department of Biotechnology BT/PR4490/FNS/20/541/2012, March 2012 to March 2014.
36. Genetic determinants of birth weight and growth trajectory and influence of parental genotype on these anthropometric indicators. Funded by Department of Biotechnology BT/PR3874/MED/97/1/2011, March 2012 to March 2015.
37. Relationship of Birth Size, infant and Childhood growth on Telomere length and telomerase activity in adulthood. Funded by Department of Biotechnology Department of Biotechnology BT/PR5317/FNS/20/552/2012, August 2012 to February 2015.
38. To conduct a systematic review on fortification of staple foods with zinc for women and children outcomes. Funded by World Health Organization, Geneva, December 2011 to May 2012. August 2012 to April 2013.
39. Community intervention to improve growth among children under-2 in rural India. MRC/DFID/WELLCOME TRUST JOINT GLOBAL HEALTH TRIAL FUND MR/K007270/1, 01/04/2013 to 31/07/2016.

## **Reports**

1. Early Childhood Mortality and Perinatal Period Management in Urban Poor, September, 1991. Ministry of Health and Family Welfare under USAID Child Survival Programmes.
2. Secular Trends and Determinants of Under Five Mortality Components in India: Implications for Child Survival Strategies, September 1991. Ministry of Health and Family Welfare under USAID Child Survival Programmes.
3. World Bank Sponsored - India Population Project VIII (Delhi): Preproject Studies - Baseline and Other Surveys, April 1993. Medical and Public Health Department, Government of National Capital Territory of Delhi and Ministry of Health and Family Welfare. Funded by the World Health Organization.
4. Urban District Health System and Role of Intermediate Referral Health Centre: A Case Study of Sanjay Gandhi Memorial Hospital, Mangolpuri, New Delhi. International Multicentric Study Funded by the World Health Organization.
5. Study of Breastfeeding and Weaning Practices with Special Reference to Use of Commercial Weaning Foods and Nutritional Status of Children Amongst Scheduled Caste Communities in Haryana. Indian Council of Medical Research.
6. Relationship of Current Nutritional Status and Cognitive Functioning in 3-10 Years Old Living in Slums. Indian Council of Medical Research.
7. Stein AJ, Meenakshi JV, Qaim M, Nestel P, Sachdev HPS, Bhutta ZA. Analyzing the health benefits of biofortified staple crops by means of disability-adjusted life years approach: A handbook focusing on iron, zinc, and vitamin A. HarvestPlus Technical Monograph Series 4, 2005.
8. Stein AJ, Qaim M, Meenakshi JV, Nestel P, Sachdev HPS, Bhutta ZA. Potential impacts of iron biofortification in India. Research in Developmental Economics and Policy. Discussion Paper No.

- 04/2006. University of Hohenheim – Centre for Agriculture in the Tropics and Subtropics, Institute of Agricultural Economics and Social Sciences in the Tropics and Subtropics, 2006.
9. Sachdev HPS, Lakshmy R, Tandon N. Phenotypic Characterization of Diabetes in a Young Delhi cohort - Association with Low birth Weight- Report submitted to Indian Council of Medical Research, 2006.
  10. WHO Technical Consultation Towards the Development of a Strategy for Promoting Optimal Fetal Development (2003 : Geneva, Switzerland) Promoting optimal fetal development : report of a technical consultation; 2006.
  11. Gogia S, Sachdev HPS. Nutrition review series: Vitamin A. Report submitted to World Bank/ International Centre for Diarrhoeal Disease Research, Bangladesh, 2007.
  12. Gogia S, Sachdev HPS. Nutrition review series: Vitamin A and Iron. Report submitted to World Bank/ International Centre for Diarrhoeal Disease Research, Bangladesh, 2007.
  13. Sachdev HPS, Gogia S. Neonatal Vitamin-A supplementation for the prevention of mortality and morbidity in Infancy : systematic review of Randomised Controlled Trials (RCTs). Report of the WHO technical consultation on neonatal vitamin-A supplementation research priorities, World Health Organization, Geneva, Switzerland, 2008.
  14. Gogia S, Sachdev HPS. Home-based neonatal care by community health workers for preventing mortality in neonates in developing countries: systematic review of controlled trials. Submitted to the Department of Child and Adolescent Health and Development, World Health Organization, Geneva, Switzerland, 2008.
  15. Pande JN, Nagpal J. A double-blind randomized placebo-controlled trial of the short term effect of vitamin D3 supplementation on insulin sensitivity in apparently healthy middle aged centrally obese men” submitted to Indian Council of Medical Research, 2008.
  16. Gogia S, Sachdev HPS. Benefits and safety of vitamin A supplementation in the first half of infancy: a systematic review of randomized controlled trials. Submitted to the Department of Child and Adolescent Health and Development and Nutrition for Health and Development, World Health Organization, Geneva, Switzerland, 2008.
  17. Gulani A, Sachdev HPS. Effectiveness of shortened course (< 3 days) of antibiotics for treatment of acute otitis media in children: A systematic review of randomized controlled efficacy trials. Report Department of Child and Adolescent Health and Development, World Health Organization 2009; pages 108. ISBN 978 92 4 159844 6 (NLM Classification: WV 232). Accessed [http://whqlibdoc.who.int/publications/2009/9789241598446\\_eng.pdf](http://whqlibdoc.who.int/publications/2009/9789241598446_eng.pdf) on October 5, 2009.

The Lancet Series on Maternal and Child Undernutrition, Executive Summary. *Lancet* January 2008.
56. Black RE, Allen LH, Bhutta ZA, de Onis M, Ezzati M, Mathers C, Rivera JA, for the Maternal and Child Undernutrition Study Group (Black RE, Bhutta ZA, Bryce J, Morris SS, Victora CG, Adair L, Ahmed T, Allen LH, Caulfield LE, Cogill B, Coitinho D, Cousens S, Darton-Hill I, de Onis M, Dewey K, Ezzati M, Fall C, Giugliani E, Haider BA, Hallal P, Kirkwood B, Martorell R, Mathers C, Pelletier D, Pinstrup-Andersen P, Richter L, Rivera JA, Sachdev HS, Shekar M, Uauy R). Maternal and child undernutrition: global and regional exposures and health consequences. *Lancet* 2008; Published Online January 17, 2008 DOI:10.1016/S0140-6736(07)61690-0.
57. Victora CG, Adair L, Fall C, Hallal PC, Martorell R, Richter L, Sachdev HS, for the Maternal and Child Undernutrition Study Group (Black RE, Bhutta ZA, Bryce J, Morris SS, Victora CG, Adair L, Ahmed T, Allen LH, Caulfield LE, Cogill B, Coitinho D, Cousens S, Darton-Hill I, de Onis M, Dewey K, Ezzati M, Fall C, Giugliani E, Haider BA, Hallal P, Kirkwood B, Martorell R, Mathers C, Pelletier D, Pinstrup-Andersen P, Richter L, Rivera JA, Sachdev HS, Shekar M, Uauy R). Maternal and child undernutrition: consequences for adult health and human capital. *Lancet* 2008; Published Online January 17, 2008 DOI:10.1016/S0140-6736(07)61692-4.
58. Bhutta ZA, Ahmed T, Black RE, Cousens S, Dewey K, Giugliani E, Haider BA, Kirkwood B, Morris SS, Sachdev HPS, Shekhar M, for the Maternal and Child Undernutrition Study Group (Black RE, Bhutta ZA, Bryce J, Morris SS, Victora CG, Adair L, Ahmed T, Allen LH, Caulfield LE, Cogill B, Coitinho D, Cousens S, Darton-Hill I, de Onis M, Dewey K, Ezzati M, Fall C, Giugliani E, Haider BA, Hallal P, Kirkwood B, Martorell R, Mathers C, Pelletier D, Pinstrup-Andersen P, Richter L, Rivera JA, Sachdev HS, Shekar M, Uauy R). What works? Interventions for maternal and child undernutrition and survival. *Lancet* 2008; Published Online January 17, 2008 DOI:10.1016/S0140-6736(07)61693-6.
59. Bryce J, Coitinho D, Darton-Hill I, Pelletier D, Pinstrup-Andersen P, for the Maternal and Child Undernutrition Study Group (Black RE, Bhutta ZA, Bryce J, Morris SS, Victora CG, Adair L, Ahmed T, Allen LH, Caulfield LE, Cogill B, Coitinho D, Cousens S, Darton-Hill I, de Onis M, Dewey K, Ezzati M, Fall C, Giugliani E, Haider BA, Hallal P, Kirkwood B, Martorell R, Mathers C, Pelletier D, Pinstrup-Andersen P, Richter L, Rivera JA, Sachdev HS, Shekar M, Uauy R). What works? Interventions for maternal and child undernutrition and survival. *Lancet* 2008; Published Online January 17, 2008 DOI:10.1016/S0140-6736(07)61694-8.
60. Morris SS, Cogill B, Uauy R, for the Maternal and Child Undernutrition Study Group (Black RE, Bhutta ZA, Bryce J, Morris SS, Victora CG, Adair L, Ahmed T, Allen LH, Caulfield LE, Cogill B, Coitinho D, Cousens S, Darton-Hill I, de Onis M, Dewey K, Ezzati M, Fall C, Giugliani E, Haider BA, Hallal P, Kirkwood B, Martorell R, Mathers C, Pelletier D, Pinstrup-Andersen P, Richter L, Rivera JA, Sachdev HS, Shekar M, Uauy R). What works? Interventions for maternal and child undernutrition and survival. *Lancet* 2008; Published Online January 17, 2008 DOI:10.1016/S0140-6736(07)61695-x.
61. Stein AJ, Meenakshi JV, Qaim M, Nestel P, Sachdev HPS, Bhutta ZA. Potential impacts of iron biofortification in India. *Soc Sci Med* 2008; 66: 1797-1808; Published online on 21 February 2008, doi:10.1016/j.socscimed.2008.01.006.
