

Recruitment Notice No: THS / RN /20/ 2019

Recruitment for Engagement of a Consultant (Environmental Health and Safety)

- a) Translational Health Science and Technology Institute (THSTI) is an autonomous Institute of the Department of Biotechnology, Ministry of Science and Technology, Govt. of India. The institute is an integral part of the interdisciplinary NCR Biotech Science Cluster located at Faridabad, and is designed as a dynamic, interactive organization with the mission to conduct innovative translational research and to develop research collaborations across disciplines and professions to translate concepts into tangible products to improve human health.

The NCR Biotech Science Cluster (NCR-BSC) has been established in Faridabad within the National Capital Region to foster biotech innovation through sharing of resources and expertise of the various member institutions of the cluster. Processes have been put in place to achieve the objectives of the cluster to synergise functioning of the various cluster institutions at the operational and scientific levels. NCR Biotech Science Cluster aims to provide strategic support to national, regional research organizations in creation and integration of scientific, technical and business related frameworks that would accelerate and translate discoveries and carry out validation and transfer of product technologies to enterprises. Enhanced interaction among the scientists of the cluster institutions is expected to lead to interdisciplinary research and novel innovations.
