

Lab Leadership Course for Group Leaders

29 September - 01 October 2025

THSTI: Translational Health Science and
Technology Institute, Faridabad

Campus Oriented

If you are ready to develop your skills as a leader of a team or research group, then this course is for you.

Your training and experience so far have given you excellent technical and research skills. This course will build on those skills and teach you how to use those 'research tools' to work effectively with your people, leading with empathy to empower your people to get innovative, reproducible research done.
